

Rocket

High ph Butyl
Cleaner/Degreaser

- ✓ Non-Flammable
- ✓ Biodegradable
- ✓ Water Soluble
- ✓ Dilutable up to 1:40

Ankem's Rocket is a blend of solvents, detergents, emulsifiers, wetting agents, sequestering agents, and penetrants, as well as corrosion inhibitors. This USDA authorized, heavy duty cleaner can be used to clean carpets, walls, and industrial machinery and is safe to use on painted surfaces. Rocket quickly removes grease, oil, dirt, and other difficult soils.
